

# Fool for Your Loving

[m3](#)

Yeah, yeah, mmm  
I was born under a bad sign  
Left out in the cold  
I'm a lonely man who knows  
Just what it means to lose control But I took all the heartache  
And turned it to shame  
Now I'm moving moving on  
And I ain't taking the blame Don't come running to me  
I know I've done all I can  
A hard loving woman like you  
Just makes a hard loving man So I can say it to you babe  
I'll be a fool for your loving no more  
A fool for your loving no more  
I'm so tired of trying I always end up crying  
Fool for your loving no more  
I'll be a fool for your loving no more I'm tired of hiding my feelings  
You left me lonely too long  
I gave my heart and you tore it apart  
Oh baby you done me wrong Don't come running to me  
I know I've done all I can  
A hard loving woman like you  
Just makes a hard loving man So I can say it to you babe  
I'll be a fool for your loving no more  
A fool for your loving no more  
I'm so tired of trying I always end up crying  
Fool for your loving no more  
I'll be a fool for your loving no more I'll be a fool for your loving no more no more no more So I can say it to  
you babe  
I'll be a fool for your loving no more  
A fool for your loving no more  
I'm so tired of trying I always end up crying  
Fool for your loving no more  
A fool for your loving no more No more, no more  
Fool for your loving no more

Fool for your loving no more
