

The DJ Is Mine

Wonder Girls

[Yubin]

Yeah

You are now listening to The Wonder Girls[Yeeun]

He is mine

I'm the only thing on his mind

He thinks about me all the time

He got my love on rewind[Sohee]

Nobody treats him like I do

There's no party I'm not in the booth

My sound keeps his heart in tune like

Badadada dadada dum dumHe loves me and I love him too

He plays me all the night through

He keeps me spinning and grinning

I'm winning him over from you singing

Lalala lalala la la[Hyerim]

Everyday

Lalala lalala la la

He sings with me

Lalala lalala la la

He knows me, he holds me from intro to fade[Sunye]

'Cause the DJ is mine and girl you're wasting your time

He only rocks to my music, he loves the way I do it all night

The DJ is mine[Wonder Girls & School Gyrls]

My baby, my, my baby baby (the DJ is mine)

My baby, my, my baby baby

He only rocks to my music, he loves the way I do it all night

The DJ is mine[Lauren]

Girl please, don't you even try

My baby keeps me by his side

Even though you keep giving him the eye

He don't even notice[Monica]

Everyday

Lalala lalala la la

He sings with me

Lalala lalala la la

He knows me, he holds me from intro to fade[Natalie]

'Cause the DJ is mine and girl you're wasting your time

He only rocks to my music, he loves the way I do it all night[Yeeun]

'Cause the DJ is mine and girl you're wasting your time

He only rocks to my music, he loves the way I do it all night
The DJ....[Sade]
I'm what he's listening to, I'm blasting through his headphones
It's me he falling in love with, yeah, I got his head gone (head gone)
He can't even answer the phone (phone)
My music keeps turning him on (on)
And on and on and, uh, and on and on and on[Yubin]
He say, she say, I say I own the DJ
Stay at the top of his charts, I am the airplay
Flyer the airplanes
I know you hear me
In case you didn't, let let me reiterate
Let me re- let me re- let me reiterate[Rae]
He is mine
I'm the only thing on his mind
He thinks about me all the time
He got my love at rewind[Sunye]
'Cause the DJ is mine and girl you're wasting your time
He only rocks to my music, he loves the way I do it all night[Natalie]
'Cause the DJ is mine and girl you're wasting your time
He only rocks to my music, he loves the way I do it all night
The DJ is mine[Wonder Girls & School Gyrls]
My baby, my, my baby baby (the DJ is mine)
My baby, my, my baby baby
He only rocks to my music, he loves the way I do it all night
The DJ is mine
