

# Speak to Me

Isaac Serukenya

Speak, to me Lord Jesus,  
Itâ€™s your word that sets me free,  
Captivate my mind with thoughts of you Lord,  
Speak, to me Lord Jesus,  
My heart, is open to receive,  
A rhema word from you Lord,  
Speak to me today.

Speak to me,  
Just a word from you will satisfy,  
To take me through the day and through the night,  
Renew my inner man,  
Speak to me,  
Let me hear your voice with crystal clarity,  
So that I may do whatâ€™s pleasing in your sight,  
And let your will be done,  
Let your will be done.

Speak, to me Lord Jesus,  
Itâ€™s your word that sets me free,  
Captivate my mind with thoughts of you Lord,  
Speak, to me Lord Jesus,  
My heart, is open to receive,  
A rhema word from you Lord,  
Speak to me today.

So Speak to me,  
Just a word from you will satisfy,  
To take me through the day and through the night,  
Renew my inner man, (ooooooooohhh)  
Speak to me,  
Let me hear your voice with crystal clarity,  
So that I may do whatâ€™s pleasing in your sight,  
And let your will be done,  
Let your will be done.

Speak, to me Lord Jesus,  
Itâ€™s your word that sets me free,  
Captivate my mind with thoughts of you Lord,  
Speak, to me Lord Jesus,

My heart, is open to receive,  
A rhema word from you Lord,  
Speak to me today.

So speak, speak to me,  
Speak to me,  
Speak to me Lord.  
speak, speak to me,  
Speak to me,  
Speak to me Lord.

Lord I love,  
I love you lord,  
I love you lord,  
I love you Lord.
