

Starbucks

John Wesley Harding

She's over it, she cannot take no more yeah
Don't wanna quit but that's a pretty nice door yeah
I got a bed, it really cost a fortune
I go away and it's too big without you
You've got it good, you know how good we've got it
You've got it bad, you know how bad we've got it
I wouldn't swap it for a job in Starbucks
Wouldn't swap it for a job in Starbucks
Come on, you can have your own way
Come on, you can have your own say
So long, I'll miss him when he's gone
You don't know what it is, you don't know what it is, yeah
You don't know what it is
He works on automatic Mr. Clean but I doubt it
He's got to have his say who needs him anyway?
Don't get your kind of music he lets the others choose it
He thinks you kids are freaks he wants you on the streets
Come on, you can have your own way
Come on, you can have your own say
So long, I'll miss him when he's gone
You don't know what it is, you don't know what it is, yeah
Come on, you can have your own way
Come on, you can have your own say
So long, I'll miss him when he's gone
You don't know what it does to me
You don't know what it means to me
I take it as far as it goes
I don't wanna know what I know
It's too late to talk about it
I ain't changing any of it, don't listen to us
Don't want your job in Starbucks
Don't want your job in Starbucks
Don't want your job in Starbucks
Don't want your job in Starbucks
Come on, you can have your own way
Come on, you can have your own say
So long, you miss it when it's gone
You don't know what it is, you don't know what it is, yeah
Come on, you can have your own way

Come on, you can have your own say
So long, you miss it when it's gone
You don't know what it is, you don't know what it is, yeah
Don't want your job in Starbucks
Don't want your job in Starbucks
Don't want your job in Starbucks
Don't want your job in Starbucks
