Paradise Alley

Carole King

Remember me

You were a friend of mine

Restless and young

I'm the one, you made love to for the first timeNow look at you, what you been up to

Since I saw you last?

Your hair's a mess, you're half-dressed

You're loaded and you're fadin' fastAll the dreams

You had of wealth and fame

You took to the city, what a shame

They're all shattered, now your heart's in painMakin' love for a livin', you've given up

All you've got's a heart of stone

Makin' the most of a sad situation

Paradise Alley's your homeParadise Alley

What a way to be alone

Paradise Alley

A thousand miles away from home, yeahLookin' back

I still recall the time

I wonder how in the world

Was it so easy to be so unkindWill you be sorry

When you realize the story has to end this way?

Lost in the night, never quite getting used to

All the games they play You wait in vain and your heart's in pain

And dreams are all you have to hold on to

You're losin' touch and it hurts so much

To think of all the love I had for youParadise Alley

What a way to be alone

Paradise Alley

A thousand miles away from home, yeahParadise Alley

What a way to be alone

Paradise Alley

A thousand miles away from homeParadise Alley

What a place to call your home

Paradise Alley

What a way to be alone, yeah
