I Don't Wanna Dance

Hey Monday

Take me home
You, you hit with me a break
And now you're back for more
Your song's the same
Leave me with all the blame
I don't have time for another game
I don't wanna dance
So don't you ask me, babe
I don't wanna dance
You blew your chance
To rock my night away
I want some fun
Boy, you're so not the one
I don't wanna dance
So let it go
You'll never take me home
Take me home
Take me home
Talk to me without a sound
'Cause you were such a tool
Who's sorry now?
You, you're shaking on the floor
Watch me walking out the door
I don't wanna dance
So don't you ask me, babe
I don't wanna dance
You blew your chance
To rock my night away
I want some fun

Boy, you're so not the one
I don't wanna dance
So let it go
You'll never take me home
Take me home
Take me home
Don't tell the DJ to hit rewind tonight
There's no you and me
Don't play that record

Don't waste your time
You, you threw it all away
I don't wanna dance
So don't you ask me, babe
I don't wanna dance
You blew your chance
To rock my night away
I want some fun
Boy, you're so not the one
I don't wanna dance
So let it go
You'll never take me home
Take me home
Take me home
I won't dance
I won't dance
Bust a move or clap my hands (x3)
Take me home
(Take me home)
