# #1

## Madison

Too high to run from the face of destruction
She?s doing fine
And I?m all right
Said she?s got her fix
I said, ?I?ve had enough of it?
And it?s ok
I?m doing great
I should?ve known that you could never keep your mouth shut

Baby don?t be typical, oh
Or hypocritical, no
Step up your pedestal
You know I am your downfall
Baby don?t be typical oh
We?re getting physical no
Step up your pedestal
You know I am your downfall

I can?t seem to shake
What it is you used to say
Not much at stake
It?s getting better every?
Your 3??1
What you?ve become
Some one who seems to think
That nothing else is worth it
And there?s another thing
But on the same subject
She only visits when
She hasn?t come down yet

Baby don?t be typical, oh
Or hypocritical, no
Step up your pedestal
You know I am your downfall
Baby don?t be typical, oh
We?re getting physical, no
Step up your pedestal

You know I am your downfall

I hope I?m getting through to everyone
Not just anyone who knows what it is you?ve done
I hope I?m getting through to everyone
Not just anyone who knows what it is you?ve done
I want to see if I?ve wasted all this time
I want to run but I doubt the time is right
Since you wouldn?t know when I leave
Would I see would I doubt but I doubt you?d know me
I want to see if I?ve wasted all this time
I want to run but I doubt the time is right
Since you wouldn?t know when I leave
Would I see would I doubt but I doubt you?d know me

Baby don?t be typical, oh
Or hypocritical, no
Step up your pedestal
You know I am your downfall
Baby don?t be typical, oh
We?re getting physical, no
Step up your pedestal
You know I am your downfall
