

I'm The Man

Fabulous

Aye, aye, aye

Aye, aye, aye

Street fitted in

Excuse me, I happen to be the boss man

Excuse me, I happen to be the weatherman

Excuse me, I happen to be the ice man

Excuse me, I happen to be the dope man

And I'm the man, yes, shorty, I'm the man

And I'm the man, yes, shorty, I'm the man

And I'm the man, yes, shorty, I'm the man

And I'm the man, yes, shorty, I'm the man

Yes, I'm the man, yes, shorty, I'm the man

I'm so fly, there's no tellin' when I'ma land

You tryin' to come up on somethin', mami, I'm the player

So play the cards you was dealt, baby, I'm the hand

Young Denzel, I'm the inside man

They open they legs and let me inside, man

I work the middle, call it an inside job

The hateman, I got ten side jobs

The boss man, the ice man and weatherman

The *** man for Redman and Method Man

The *** man, the *** man and mailman

The spokesman, the cheer man and salesman

Used to spread the white *** like hail, man

And I moved more bags than the bellman

Now I'm the man of the fida-dida-dam

If you ain't get the message, let me tell you who I am

Excuse me, I happen to be the boss man

Excuse me, I happen to be the weatherman

Excuse me, I happen to be the ice man

Excuse me, I happen to be the dope man

And I'm the man, yes, shorty, I'm the man

And I'm the man, yes, shorty, I'm the man

And I'm the man, yes, shorty, I'm the man

And I'm the man, yes, shorty, I'm the man

Yeah, I'm the man, yes, shorty, I'm the man

Lookin' for some good ***, then I'm your man

Just say my name three times like Candyman

I pop up, fix it up like a handyman

You know how the man do, who is all mad new
Ginobili's but the truck is on Kobe's
Through the bulletproof
When you're in the sport, man
The slugs come through your window like grown man
Aw man, there go your man again
I fified him up, stiff him up like a mannequin
I ain't trippin' but dude think he the man of steel
He slippin' up and he don't even see banana peels
And one night, I made plans to do him
The *** is so easy, a caveman could do it
She know I'm the man of the fida-dida-dam
But F Y I, let me tell you who I am, ***
Excuse me, I happen to be the boss man
Excuse me, I happen to be the weatherman
Excuse me, I happen to be the ice man
Excuse me, I happen to be the dope man
And I'm the man, yes, shorty, I'm the man
And I'm the man, yes, shorty, I'm the man
And I'm the man, yes, shorty, I'm the man
And I'm the man, yes, shorty, I'm the man
