

# Killing a Little Time

David Bowie

I staggered through this criminal reign  
I'm not in love, no phony pain  
Creeping through this tidal wave  
No warm embrace, just a lover's grain  
This symphony  
This rage in me  
I've got a handful of songs to sing  
To sting your soul  
To fuck you over  
This furious reignI'm falling, man  
I'm choking, man  
I'm fading, man  
And broke and blind  
I'm falling, man  
I'm choking, man  
I'm fading, man  
Just killing a little time  
I love the sound of an empty room  
The screams of night, the end of love  
Two beating hearts, one labored scarred  
One open wound, wasted and drowned  
No sympathy  
This furious reignI lay in bed  
The monster fed, the body bled  
I turned and said  
"I get some of you all the time  
All of you some other time"  
This rage in me  
Get away from meI'm falling, man  
I'm choking, man  
I'm fading, man  
And broke and blind  
I'm falling, man  
I'm choking, man  
I'm fading, man  
Just killing a little time
