

# All I Ask of You (Feat. Penny)

## Skrillex

In comes the dawn,  
I've fallen asleep with my head pressed against your flaws,  
All my love,  
And something got in the way,  
And your soul turned black as the sun grows somber,  
Took my heart, and my love (and my love)All I ask of you (all I ask of you)Just open up a little bit more  
Just open up a little bit more  
(Just open up a little bit more)All I ask of you  
All I ask of you  
Just open up a little bit more  
Just open up a little bit more  
(Just open up a little bit more)  
(Just open up a little bit more)Just open up a little bit more (Just open up a little bit more)Just open up a little bit  
more  
Just open up a little bit more(All I ask of you)  
(All I ask of you)  
(Just open up a little bit more)  
(Just open up a little bit more)  
(Just open up a little bit more)  
(Just open up a little bit more)  
(All I ask of you)  
(Just open up a little bit more)  
(Just open up a little bit more)  
(Just open up a little bit more)All I ask of you  
All I ask of you  
Just open up a little bit more  
Just open up a little bit more  
(Just open up a little bit more)All I ask of you  
All I ask of you  
Just open up a little bit more
