

No Greater Love

[Matt Maher](#)

For the city, for the world we pray
Let Your light shine down
Come around and live in us
For the close and the far away Everywhere You are
Everywhere And we lift high the banner of the cross
There is no greater love than this, no love but this
Jesus Christ laid down His life for us
There is no greater love than His, no love but His To the city, to the world we go
Set us free, heal the land
You have promised, God, You can
To the last and the least we go Everywhere You are
Everywhere And we lift high the banner of the cross
There is no greater love than this, no love but this
Jesus Christ laid down His life for us
There is no greater love than His, no love but His In the poor, in the broken
In the crowded city streets
In the towers, in the money
In the strong and in the weak In the orphans and the widows
In the churches and the bars
You are everywhere
God, You are everywhere And we lift high the banner of the cross
There is no greater love than this, no love but this
Jesus Christ laid down His life for us
There is no greater love than His, no love but His
