

# Grind Don't Stop (feat. Afro B)

Tion Wayne

The grind don't stop, ya' k'na  
24/7 on the block, ya' k'na  
The girls love me, I'm popular  
I'm a full-time hustler(It was all a dream)  
Done 20 bag moves on my wetter  
How you goin' finesse the finesser?  
(Man it's all for P's)  
Things a nigga do for the cheddar  
Big boy - Big boy Beretta  
How ya' mean? I'm a boss ya' k'na  
Man I came up, I was broke ya' k'na  
Big boy tools on my opps, ya' k'na  
My niggas in jails 'cause the officer was a customer (Uh!)  
But I don't even talk too much, man, I don't even talk too much  
And I ain't gotta say too much, man, I ain't gotta say too much  
Back then was getting stressed for my mumzy, but curiosity of country  
I hit another country  
Remember when I could of stuck a monkey  
When a nigga say, like lick it off a gun tree  
The grind don't stop, ya' k'na  
24/7 on the block, ya' k'na  
The girls love me, I'm popular  
I'm a full-time hustlerWe no talk much  
We let a lizzy do the talking  
We no talk much  
Just grind til we ballin'But the grind don't stop  
Violate my racks, get shot  
Them man talk guns, crep don't drop  
Them man there used to get sent shop (Oh gosh!)  
Even though this road ting don't love me  
Still out, tryna get that Bill Gates money  
Real girl grind for their P's, ain't bummy  
Fresh heals and her figure's like Tommy  
But these fucking fuck girls, I can't stand them  
"Hello Stranger!" on a random  
Before this rap ting, I weren't handsome  
Boom! Bye-bye, Buju Banton!  
It's a stick-up, stick-up  
Man see me better hiccup, hiccup

Anybody touch bro get lift-up, lift-up  
Stunt round me get lick-up, lick-up  
Hit-up, hit-up  
The grind don't stop, ya' k'na  
24/7 on the block, ya' k'na  
The girls love me, I'm popular  
I'm a full-time hustler We no talk much  
We let a lizzy do the talking  
We no talk much  
Just grind til we ballin' All eyes on me  
Life of a real G  
Why try to compete  
Maybe it's not to be The grind don't stop, ya' k'na  
24/7 on the block, ya' k'na  
The girls love me, I'm popular  
Man a full-time hustler  
Man a hustler! The grind don't stop, ya' k'na  
24/7 on the block, ya' k'na  
The girls love me, I'm popular  
I'm a full-time hustler (Oh man, Oh man!) We no talk much  
We let a lizzy do the talking  
We no talk much  
Just grind til we ballin' (Ballin yeah!)
