

All By Myself

Tom Jones

Little girl don't you want to stay?
I want to be your lover man
All by myself
All by myself I don't need no one to love you
I'm gonna love you all by myself You'll find, little girl, you know it too,
Don't you know I'm in love with you
All by myself
All by myself. I don't want no one to love you
I want to love you all by myself
