Rain In My Heart

Bad Boys Blue

Sometimes I feel, a bit of heaven.
It's still lingering in the air.
Then I see memories everywhere.
And our room is full of heartache.
Every time when I look around. I'm on my own.
Since you've been gone.
I don't who's to blame.
And I don't know what to do now.
The only thing I know.
That I can't stop loving you.I feel the rain in my heart little baby.
Rain in my heart tonight.
And I see visions of blue.
Visions of you are running through my mind.
I feel the Rain in my heart tonight.
Rain in my burning eyes.Oh baby I want you near.
Want you to be here. I want you back in my arms.
You broke my heart without a warning.
When you simply told me goodbye. want to know.
Every reason why. So was it me who did you wrong?
Why can't I keep your loving alive?
Please let me know. What can I do?
