

# Down To Sea

## Doves

Drive with me  
Do the things, you won't believe  
Drive with me  
Past the city and down to sea  
Crushin' dreams  
Leave me be, I cannot sleep  
Drive with me  
Do the things, you won't believe  
Drive with me  
Past the city and down to sea  
Crushin' dreams  
Leave me be, I cannot sleep  
Oh, it's the pain  
It's ingrained in me  
Oh, soothe my pain  
It's ingrained in me
