

# New San Antonio Rose

## Asleep At the Wheel

Deep within my heart lies a melody  
A song of old San Antone  
Where in dreams I live with a memory  
Beneath the stars all aloneIt was there I found beside the Alamo  
Enchantment strange as the blue up above  
A moonlit path that only she would know  
Still hears my broken song of loveMoon in all your splendor knows only my heart  
Call back my Rose, Rose of San Antone  
Her lips so sweet and tender like petals fallin' apart  
Speak once again of my love, my ownBroken song, empty words I know  
Still live in my heart all alone  
For that moonlit path by the Alamo  
And Rose, my Rose of San Antone
