Home

Rudimental

Mama always said I'll find my way back Back home

So tell me why am I still lost in limbo

With nowhere to goGod knows I'm trying, I'm fighting to get out of here

Oh but sometimes it's hard not to give into fear

I build myself up 'cause I want it so much

I need to break for realI'm headed for somewhere else

'Cause it's a long way home

Courage to carry on

I've got to be oh so strong

'Cause it's a long way homeMama always said I'll find my way back

Back home

So tell me why am I still lost in limbo

With nowhere to goGod knows I'm trying, I'm fighting to get out of here

Oh but sometimes it's hard not to give into fear

I build myself up 'cause I want it so much

I need to break for realI'm headed for somewhere else

'Cause it's a long way home

Courage to carry on

I've got to be oh so strong

'Cause it's a long way homeI'm headed for somewhere else

I'm guessing the time will tell

'Cause it's a long way home

Courage to carry on

And now I got to be oh so strong

'Cause it's a long way homeI'm headed for somewhere else

But it's a long way home

Courage to carry on

'Cause it's a long way home
