

So in Love

The Icarus Account

Your hand it fits
Perfect in mine
The world has stopped
And so has timeCause we're so in love
We're so in love
We're so in loveOoooh...City lights cloudy skies
Slow dance in the rain
Won't forget how it sounds
When you say my nameSo we save the best
For last tonight
A simple hug and kiss goodnight
As all of the angels sing our song
Heaven and earth join to sing alongAnd we're so in love
And we're so in love
And we're so in loveI'm turning the tables
I'm changing the time
I'll do anything just to keep you mine
You're one of the angels yeah it's true
I'm standing in heaven when I'm with youWe're so in love
We're so in love
We're so in loveI love the way that you say my name
I love the way that you hold my handLike we're so in love
Cause we're so in love
Yeah we're so in love
