

# Vienna

## Ultravox

We walked in the cold air -  
Freezing breath on the window pain  
Lying waitingA man in the dark in the picture frame  
So mystic and soulful.  
A voice reaching out and a piercing cryIt stays with you until  
The feeling is gone  
only you and I

This means nothing to meThis means nothing to meOh Vienna -The music is weaving -

Haunting notes pizzicato stringsThe rhythm is calling  
Alone in the night as the daylight brings a cold empty silence

The warmth of your hand and a cold grey skyIt fades to the distance.The image is gone  
only you and I

This means nothing to meThis means nothing to meOh Vienna -This means nothing to meThis means nothing to  
meOh Vienna.
