

# The Best Years of Our Lives

Evan Taubenfeld

Oh oh oo Oh Oh oo...Oh oh oo Oh Oh oo...Oh oh oo Oh Oh oo...Oh oh oo Oh Oh oo...We had the best years of  
our lives

But you and I would never be the same

September took me by surprise

An I was left to watch the seasons changeOh oh oo Oh Oh oo...Oh oh oo Oh Oh oo...Oh oh oo Oh Oh oo...Oh  
oh oo Oh Oh oo...Its been so quiet since youve gone

And everyday feels more like a year

Sometimes I wish I could move on

The memories would all just disappearSo many things I shouldah

Said when I had the chance

So many times we took it all for grantedId never thought this could ever end

Id never thought Id lose my bestfriend

Everything is different now

Can we stop the world from turningId never thought Id have to let you go

Id never thought Id ever feel this low

I wich I could go back

And we stop the world from turningOh oh oo Oh Oh oo...Oh oh oo Oh Oh oo...Oh oh oo Oh Oh oo...Oh oh oo  
Oh Oh oo...Looking back on better days

When we were young,

we thought we knew so much

And now it seems so far away

Of wondering if I was good enoughSo many things I shouldah

Said when I had the chance

So many times we took it all for grantedId never thought we would ever end

Id never thought Id lose my bestfriend

Everything is different now

Can we stop the world from turningId never thought Id have to let you go

Id never thought Id ever feel this low

I wich I could go back

And we stop the world from turningGone are all the days

When we swore wed never break

And now Im left here aloneGone are all the days

when we swore we never change

and now I'm left here aloneOh oh oo Oh Oh oo...Oh oh oo Oh Oh oo...Oh oh oo Oh Oh oo...Oh oh oo Oh Oh  
oo...Oh oh oo Oh Oh oo...

Id never thought we would ever end

Oh oh oo Oh Oh oo...

Id never thought Id lose my bestfriendOh oh oo Oh Oh oo...

Everything is different now

Oh oh oo Oh Oh oo...  
Can we stop the world from turning Id never thought we would ever end  
Id never thought Id lose my bestfriend  
Everything is different now  
Can we stop the world from turning Id never thought Id have to let you go  
Id never thought Id ever feel this low  
I wish I could go back  
And we stop the world from turning Oh oh oo Oh Oh oo... Oh oh oo Oh Oh oo... Oh oh oo Oh Oh oo... Oh oh oo  
Oh Oh oo...
