Bloody Palms

Phantogram

She's tired alone
And I'm tired of love
Someday I'm gonna miss youblood on my palms
Wide eyes and holes
someday I'll pull my teeth outI'll see you later in the night time
Where all the colors are dark or glowing
we don't really get along
we get down
wet get down
I'll see you later in the moonlight
where all the colors are softly fading
we don't really wanna die
we get down
we get down
blood on my palms
wide eyes and holes
someday I'll pull my teeth out
