For a Change

Neal McCoy

It seems like all my life
I've never been satisfied
Ain't nothin' I ain't tried
Takin' every kind of line
Tryin' to find my
Home on the rangeBeen close a time or two
To seein' that dream come true
But I never could follow through
Couldn't drop the other shoe
'Cause pretty soon I knew
I'd be lookin' for a changeFor a change
I can see a little sunlight shinin' through the pourin' rain
I swear
It's gettin' a little brighter every time you call my nameYou know I could get used to this
But right now it still feels strange
To be a happy man
I'm talkin' 'bout a happy man
I'm a happy man
For a changeGirl I must confess
I live for your caress
Every single time we kiss
I know that I've been blessed
I wanna share the same address
That's where I wanna remainGoodbye o' wonderlust
(Uh hu)
I've been there long enough
(Uh hu)
Those times they sure are tough
(Uh hu)
Things sure are lookin' up
Ever since I found your love
I ain't lookin' for a changeFor a change
I can see a little sunlight shinin' through the pourin' rain
I swear
It's gettin' a little brighter every time you call my nameYou know I could get used to this
A little home on the range
I'm a happy man
Darlin' you made me a happy man
I'm a happy man
