Unsung

Gorefest

I'll sacrifice the land for you
I'll kill myself if I have to
Yes, I will shoot the world for you
And heroine if you want me toAnd I will drain my blood
And I will kill your godYour pleasure is my only goal
Got thirteen written on my soul
I'll find my darkness just for you
The downward spiral has come trueAnd I will drain my blood
And I will kill your godWe're the unsung
We're the unsung
We're the unsungAnd I will drain my blood
And I will kill your god
And I will drain my blood
And I will kill your godDrain my blood
Kill your god
Kill your god
Your god
