## Kdzband

Iâ€™m In Love With Yo Body

(Hook)

I hope you donâ€™t misunderstand  
I am not just a physical man, but

Iâ€™m In Love With Yo Body  
Iâ€™m In Love With Yo Body

Donâ€™t be thinkinâ€™ too much  
Ou Itâ€™s just the physical touch

Iâ€™m In Love With Yo Body  
Iâ€™m In Love With Yo Body

Verse 1

What can I say ---- To make you stay?  
Out on the floor --- My Cheri Amore.

Weâ€™re startinâ€™ to sweat --- Youâ€™re lookinâ€™ so wet.  
I wish you were mine ----- Cause youâ€™re so fine, and I say.

Ou, the silky red dress, and the way it fits your body is turninâ€™ me on.  
Ou, I must confess, been thinkinâ€™ bout your body, all night long.

(Hook)

Verse 2

Come on girl ---- Let me rock your world.  
From left to right --- From side to side.

Donâ€™t be shy --- Let me tell you why.  
Got the love potion â€œ That will rock your ocean, I say.

Ou, the silky red dress, and the way it fits your body is turninâ€™ me on.  
Ou, I must confess, been thinkinâ€™ bout your body, all night long.

(Hook)

(RAP)

My body run this party â€“ thatâ€™s true / Whoâ€™s goinâ€™ do the things- I do  
Me my girl â€“ my whole crew / Look at me- and listen to you  
You know you want me / Donâ€™t try to front like you donâ€™t know me  
Come on whatâ€™s the deal come on baby soul for real  
With my red dress, pumps on, nails done, hair done/ we got all night, is it all right?  
Now get on the floor, cause I need more/ baby tell me what are you here for?!

Ou, the silky red dress, and the way it fits your body is turninâ€™ me on.
