

# Rock It

## Shock:Force

Do you wanna rock it baby?

Do you wanna rock it baby?

[Verse 1]The room is shaking,good vibration

    This music's in my soul.

    Unerdeath the strobe lights,

    I'm feeling hypnotized you've got me under control.

[Pre-Chorus]DJ, won't you come and rock me all night long.

    The way you keep spinning really turns me on.

    And there's something I gots to know...

[Chorus]Do you wanna rock it baby? 'Cause I wanna roll with you for sure.

    I don't wanna stop this baby.

    Do what you want with me..on the dance floor.

    Do you wanna rock it baby? 'Cause I wanna roll with you for sure.

    I don't wanna stop this baby.

    Do what you want with me..(i'm yours)..on the dance floor.

[Verse 2]Now the club is getting real hot and sweaty

    You're chilling in the DJ booth.

    Everybody's grinding and I keep on finding

    My baby caught up in your groove.

[Pre-Chorus]

DJ, won't you come and rock me all night long.

    The way you keep spinning really turns me on.

    And there's something I gots to know...

[Chorus]Do you wanna rock it baby? 'Cause I wanna roll with you for sure.

    I don't wanna stop this baby.

    Do what you want with me..on the dance floor.

    Do you wanna rock it baby? 'Cause I wanna roll with you for sure.

    I don't wanna stop this baby.

    Do what you want with me..(i'm yours)..on the dance floor.

[Pre-Chorus]DJ, won't you come and rock me all night long.

    The way you keep spinning really turns me on.

    And there's something I gots to know...

[Chorus]Do you wanna rock it baby? 'Cause I wanna roll with you for sure.

    I don't wanna stop this baby.

    Do what you want with me..(i'm yours)..on the dance floor.

    Roll with you for sure

    On the dance floor.

    I'm yours-on the dance floor.

    I'm yours-on the dance floor.

On the dance floor.
