It's a Love Thing

The Whispers

It's a love thing, it's a love thing
(It's a love thing, thing)The look in your eyes is more than enough
To make my poor heart burst into flames
Before the moment we met
That there was no doubt
That my life would never be the sameAnd I could never hide this feelin'
That comes over me
When you're near me
I know that's how it's supposed to be
My heart is tellin' meIt's a love thing, yeah
And the talkin' in my sleep
About the love we made
It's a love thing
(It's a love thing)
Love thing
(Thing)Such a feeling I get whenever we touch
Girl, like no other I felt before
It's still so new and yet I need you so much
Got to make you mine forever moreYou're the kinda woman
That can turn my world around
'Cause you showed me what
Unselfish love is all about
Without a doubtIt's a love thing, yeah
I feel that pounding in my heart
When you call my name
It's a love thing
(It's a love thing)
Love thing
(Thing)
It's a love thingEvery time that you're near
It becomes so clear
It's a love thing
(It's a love thing)
Love thing
(Thing)
Yeah, it's a love thingI feel that pounding in my heart
When you call my name
It's a love thing
(It's a love thing)

It's a love thingI could never hide this feeling
That comes over me
When you're near me
I know that's how it's supposed to be
My heart is tellin' meIt's a love thing, yeah
Got me talkin' in my sleep
About the love we made
It's a love thing
(It's a love thing)
Ooh, it's a love thing
(Thing)It's a love thing, yeah
I feel that pounding in my heart
Every time you call my name, yeah
It's a love thing
(It's a love thing)
Love thing
(Thing)
Love thingIt's a love thing
It's a love thing
It's a love thing
