Constant Craving

Naya Rivera

Even through the darkest phase
Be it thick or thin
Always someone marches brave
Here beneath my skinAnd constant craving has always beenMaybe a great magnet pulls
All souls towards truth
Or maybe it is life itself
Feeds wisdom to its youthConstant craving has always beenCraving, ah, ha
Constant craving has always been
Has always beenConstant craving has always been
Constant craving has always beenCraving, ah, ha
Constant craving has always been
Has always been
Has always been
Has always been
Has always been
Has always been
