

Constant Craving

[Naya Rivera](#)

Even through the darkest phase
Be it thick or thin
Always someone marches brave
Here beneath my skin And constant craving has always been Maybe a great magnet pulls
All souls towards truth
Or maybe it is life itself
Feeds wisdom to its youth Constant craving has always been Craving, ah, ha
Constant craving has always been
Has always been Constant craving has always been
Constant craving has always been Craving, ah, ha
Constant craving has always been
Has always been
Has always been
Has always been
Has always been
Has always been
