With Love

Hilary Duff

I don't mind you telling me what's been on your mind lately
I don't mind you speaking up
I know sometimes I can be all wrapped up and into me
I can be in such a rush
Just slow me down, slow me down
Tell me tomorrow everything will be around
Just slow me down, slow me down
You're the one who keeps me on the ground
Baby, you can be tough, say enough is enough
You can even be blunt just do it with love, love, love
Tell me I'm wrong, that I'm coming on way too strong
Don't think I'd be crushed just do it with love, love, love, love
Just do it with love, love, love, love
Just do it with love
I can take your honesty, all your words weigh heavily
Listening to you all the time
I wanna be there for you, the way you been there for me
Always help me walk the line
And slow me down, slow me down
I know you will always be around
Baby, you can be tough, say enough is enough
You can even be blunt just do it with love, love, love

Tell me I'm wrong, that I'm coming on way too strong
Don't think I'd be crushed just do it with love, love, love, love
All this time we finally know each other
Now that I've been leaning on your shoulder
I can tell you baby that you're right when you're right
You're wrong when you're wrong
And I can be weak 'cause I know you'll be strong!
Baby, you can be tough, say enough is enough
You can even be blunt just do it with love, love, love
Tell me I'm wrong, that I'm coming on way too strong
Don't think I'd be crushed just do it with love, love, love, love
Baby, you can be tough, say enough is enough
You can even be blunt just do it with love, love, love
Tell me I'm wrong, that I'm coming on way too strong
Don't think I'd be crushed just do it with love, love, love, love
Just do it with love, love, love, love

Just do it with love
Just do it with love, love, love, love
Just do it with love
Just do it with love
Just do it with love
