

Fight From The Inside

Queen

Hey you boy, hey you
Hey you boy, think that you know what you're doing
You think you're gonna set things to rights
You're just another picture on a teenage wall
You're just another sucker ready for a fall You gotta fight from the inside
Attack from the rear
Fight from the inside
You can't win with your hands tied
Fight from the inside
Ooh, ooh, aah
Fight from the inside
Right down the line Hey you boy, hey you
Hey you boy, think that you know what you're doing
You think that out in the streets is all true
You're just another, money-spinner tool
You're just another, fool You gotta fight from the inside
Attack from the rear
Fight from the inside
You can't win with your hands tied
Fight from the inside
Ooh, ooh, aah
Fight from the inside
Right down the line
Right down the line
Right down the line
