Brave

Sara Bareilles

You can be amazing
You can turn a phrase into a weapon or a drug
You can be the outcast
Be the backlash of somebody's lack of love
Or you can start speaking up
Nothing's gonna hurt you the way the words do when they settle 'neath your skin
Kept on the inside and no sunlight
Sometimes a shadow wins
I wonder what would happen if
You say what you wanna say and let the words fall out
Honestly, I wanna see you be brave.
What you wanna say and let the words fall out
Honestly, I wanna see you be brave.
(I Just wanna see you) x3
I wanna see you be brave!
(I Just wanna see you) x3
I wanna see you be brave!
Everybody's been there
Everybody's been stared down by the enemy
Fallen for the fear and don't start dissapearin'
Bow down to the mighty
Don't run

And stop holding your tongue
Maybe there's a way out of the cage where you live
Maybe one of these days you can let the light in
Show me how big your brave is
Say what you wanna say and let the words fall out
Honestly, I wanna see you be brave
What you wanna say and let the words fall out
Honestly, I wanna see you be brave
Innocence, your history of silence won't do you any good
Didn't think it would
Let your words be anything but empty
Why don't you tell him the truth
Say what you wanna say and let the words fall out
Honestly, I wanna see you be brave
Say what you wanna say and let the words fall out
Honestly, I wanna see you be brave

(I Just wanna see you) x3
I wanna see you be brave!
(I Just wanna see you) x3
See you be brave
(I Just wanna see you) x3
(I Just wanna see you) x3
