

# Witness (DJ Scud remix)

## Asian Dub Foundation

We never had it so good  
Day to day It's the government plan  
To grind them down Every man and woman  
To grind them down Every man and woman  
To grind them down Every man and woman  
Day to day It's the government plan  
To grind them down Every man and woman  
To fuck up their minds  
Put their lives in their hands  
To smash up their brains  
Unable to understand  
This is a message to those in command  
There was never any freedom  
Just castles built on sand
