

I Love The Sound Of Crashing Guitars

Roxette

Mao mao mao

Mao mao mao

Mao mao mao

Mao mao mao

I love the sound of smashing guitars

I love the sound of crashing guitars

Red guitars against the wall

Big guitars can turn so small

I love the sound of crashing guitars

Show it

The 6-string kick inside

The 6-string kick inside

The 6-string kick inside

I love the sound of breaking guitars

I love the sound of crashing guitars

Hey, you long haired vintage Jesus

Break the guitar into a 1000 pieces

I love the sound of crashing guitars

Don't you?

The 6-string kick inside

The 6-string kick inside

Mao mao mao

Mao mao mao

Don't you love the sound of crashing guitars?

Don't you love the sound of crashing electric guitars?

Don't you love that sound drivin' in your car

Don't you love the sound of crashing electric guitars?

Don't you? Don't you

I love the touch of watching the stars

I love the sound of trashing guitars

Custom made Townshend's ace

Smash the axe and break the case

I love the sound of crashing guitars

Crashing and crashing

The 6-string kick inside

The 6-string kick inside

Mao mao mao

Mao mao mao

I love the sound of crashing guitars

I love the sound of crashing guitars
I love the sound of crashing guitars
I love the sound of crashing guitars
I love the sound of crashing guitars
I love the sound of crashing guitars
