

Call on Me (1995 Anthology Version)

Michael Jackson

There goes the sunshine
Here comes the rain
And heartache pains
What can I do but wait for you? Darling the days, I had were cold
Now our separate ways we go
It seems you want more than the love I can give
Well, I can't make you stay and you've got your life to live But if it gets too rough
Call on me Dreams of golden glare
Taking you away from here
But if ever think that has to be, turns your dreams around
Love and understanding is what you need If you can't get enough
Call on me I'm so sad you're leaving
It's gonna kill me
Not to be with you But I want you to be happy
If heartache's what you want
Then I want it too So, goodbye with all my prayers
For your happiness in a world elsewhere
Should you arrive and it's not there
Call on me, call on me Yes, happiness waits for you elsewhere
Remember this
Should you arrive and it's not there
Call on me, call on me Yes, happiness waits for you elsewhere
Remember this
Should you arrive and it's not there
Call on me
