

I Owe You (Truth Mix)

Drown

Wasting time on my own thoughts
Pulling me in so deep
Thoughts of you in our little world
It makes me cold
It makes me weakI self destructed
I reconstructed
I owe this all to you
For a while you let me forget myself
But once again
The real me is aliveI put myself here
Look what it's done to me
I'll keep myself here
Now watch me bleedI wanted to believe in you
I tried to believe in the lie
It was a lie
Now you see what it did to me
It was a lieI'm self reliant
I'm self confidement
I owe this all to you
You showed me that I'm the only one I know
So once again
The real me is aliveI put myself here
Look what it's done to me
I'll keep myself here
Now watch me bleedI was taken apart by what I never knew
I was taken apart
The ugly part of you
The ugly part of youSpend time with the broken man
I owe this all to youI was taken apart by what I never knew
I was taken apart
The ugly part of you
You
