Cranes in the Sky

Solange

[Verse 1]
I tried to drink it away
I tried to put one in the air
I tried to dance it away
I tried to change it with my hair[Verse 2]
I ran my credit card bill up
Thought a new dress would make it better
I tried to work it away
But that just made me even sadder[Verse 3]
I tried to keep myself busy
I ran around in circles
Think I made myself dizzy
I slept it away, I sexed it away
I read it away[Refrain 1]
Away, away, away, away, away, away
Away, away, away, away, away[Hook 1]
Well it's like cranes in the sky
Sometimes I don't wanna feel those metal clouds
Yeah, it's like cranes in the sky
Sometimes I don't wanna feel those metal clouds[Verse 4]
I tried to run it away
Thought then my head be feeling clearer
I traveled 70 states
Thought moving round make me feel better[Verse 5]
I tried to let go my lover
Thought if I was alone then maybe I could recover
To write it away or cry it away
Don't you cry baby[Refrain 1]
Away, away, away, away, away, away
Away, away, away, away, away[Hook 2]
But it's like cranes in the sky
Sometimes I don't wanna feel those metal clouds
Yeah, it's like cranes in the sky
Sometimes I don't wanna feel those metal...[Refrain 2]
Away, away, away, away, away
Away, away, away, away, away[Refrain 2]
Away, away, away, away, away
Away, away, away, away, away[Refrain 2]
Away, away, away, away, away

Away, away, away, away, away
