

Are You With Me

Linda Lawson

Our affair has come along quite nicely
in the prim and proper way it should
And to put it even more precisely
Itâ€™s been basically simple and good

They say the true
delights of love are these
Ask any Joes or Smith
Bored stiff theyâ€™ll give you
Yes sirees
So may I explode that myth?

Are you with me, shall we dance?
Shall we end this youthful fling
and try romance?
Weâ€™ll romance it like a streak
and burn the sky
Weâ€™ll romance, it leaves you weak
but flying high

Are you with me, shall we race?
Shall we rocket to the moon
and outer space?

If youâ€™re ready and youâ€™re willing
give a cue
And if youâ€™re with me
Iâ€™m with you

Are you with me, shall we dance?
Shall we end this youthful fling
and try romance?
Weâ€™ll romance it like a streak
and burn the sky
Weâ€™ll romance it leaves you weak
but flying high

Are you with me, shall we race?
Shall we rocket to the moon

and outer space?

If youâ€™re ready and youâ€™re willing
give a cue

And if youâ€™re with me
Iâ€™m with you

Iâ€™m with you!
