Sleep

Keepsake

I never thought I'd live to see the day
I never thought I could give it all away
But as long as I'm close you'll be here
And as long as I'm far I know you live
But it all comes crashing down in
The face of maturityNothing hides her feelings quite like eye shadow
And all she wears is pink
You think maybe if I asked her
You think she would move in with me?
I think maybe she will do thatI never thought I'd live to see the day
I never thought I could give it all away
But as long as I'm close you'll be here
And as long as I'm far I know you live
But it all comes crashing down in
The face of maturityNothing hides her feelings quite like eye shadow
And all she wears is pink
You think maybe if I asked her
You think she would move in with me?
I think maybe she will do that (2x)
