

Tonight

Alex Band

Well the sky broke in two
I found you dancing alone
Then the room filled up with you
And a song we both know
That's when you caught me with your eyes
Sending shivers down my spine
And then you whispered in my ear
You said "I can feel it too"
And then you pulled me into you....

Chorus:

Tonight, I got you where I want you
Closer, I can tell you anything
You're the song that I sing
Tonight, let the music take us over
We'll fall into forever, all is right
Cause I got you where I want you
Tonight.

Through all of science and history
Nothing's ever stuck with me
But now I'm locked onto you
And I'm holding on to
The only thing I know
And now I'm never letting go

Chorus

Tonight, tonight
The whole world could fall away
But you and I
No we won't be afraid
Tonight

Chorus
