 NEVER EVER ENGLISH TRANSLATION Did you wait long? I'm so sorry  
 I've decided now, Are you ready  
 I know I've wandered for a while Don't worry now, I'll never leave again  
 Every time you called, I wasn't there Silence  
 Don't worry, I'm here now, Shall we dance  
 Let's have a toast, take my hand now  
 From now on, I will never let you go  
 It starts now, just the two of us Romance Are you ready? I'm ready  
 There's no fear, no hesitation  
 Let's go up up only our love  
 It starts now, our Romance  
 Are you ready? I'm ready  
 There's no fear, no hesitation Let's go up up only our love

I won't leave you again, don't worry  
Baby you're mine, mine, mine

Shall we take a vow Let's try it  
Swear on our hearts Let's sign itGet the ink, Get the pen  
I have no hesitation now now  
I was confused every night  
I didn't think I could take care of you  
But as time passed bysurely, more clearlyI missed you girl

The way you looked at me  
Baby you belong to me
