First We Kiss (demo)

Anna Calvi

My heart beats against the wardrobe
I hear the closing door
Beats against the window
Tell me how long, tell me how longFeel it come from nowhere
Taking over me
Feel it come from nowhere
Tell me why, tell me whyFirst we'll kiss
Then you will lock the door, my dear
A perfect kiss
Just to remind what's between us
Tonight is hereFeel it come from nowhere
Taking over me
Feel it come from nowhere
Tell me why, tell me whyFirst we'll kiss
Then you will lock the door, my dear
A perfect kiss
Just to remind what's between us tonight
What's between us tonight, tonight[Incomprehensible]
As I hear the closing door
Our face against the window
Our lips touch no moreAnd suddenly from up here
Everything's clear
The love we had between us tonight
Is here
