

Cage The Beast

Adelitas Way

I see it in your eyes
You're feeling paranoid
You know just what I've done
You know what I've become
I feel it deep inside
With all the pain and lies
I know just what I want
I am an animal I think it's time I let you go
If I could just end it all You can't cage the beast
There's no breaking me
You can't cage the beast inside of me
I feel the weight
And all the pain
You can't cage the beast inside of me
Inside of me I feel it in your vibe
You are a parasite
Who knows just what I've done
I think your time has come
You try to turn the tide
I think you've lost your mind
Afraid of what I want
To see what I've become I think it's time I let you go
If I could just end it all You can't cage the beast
There's no breaking me
You can't cage the beast inside of me
I feel the weight
And all the pain
You can't cage the beast inside of me
Inside of me You can't cage the beast
There's no breaking me
You can't cage the beast inside of me
I feel the weight
And all the pain
You can't cage the beast inside of me
Inside of me
