

Fly Away

Black Eyed Peas

When the world changes you adjust
So on this joint right here we about to take flight y'all

Check it out y'all, check it out y'all
Yo buddy what you gonna do
Give it up give it up yeah
What we came to do
Show these people how we do it
Mix it up mix it up yeah
It's Black Eyed Peas y'all
So check it out

You're here, so gone,
This dusk as sudden night turns to dawn
I know you've already been here too long
Too long too long
Although you won't see me fall from grace
You step on my soul as you walk away
My demons you'll never know

I'm letting you go

[Chorus]

Fly away now
Give it up give it up
Get back on that truck
Got to keep movin'
Keep rappin' it up
Mix it up mix it up
Before the next stop
You got to go now
And fill up your cup
Fly away now fly away now
Switch it up switch it up
Go hop on that bus
No need to blow the horn
I'll be tough, hey

You take a piece of me
With you forever but darling I see
The world is who you belong to, not me

So I set you free

[Chorus]I be fallin' up, never fallin' down

'Cause I spread my wings
And I glide around town
I let you go I know this
Find your home I miss you so
Spread your wings let it flow
Oh oh oh oh...

I be fallin' up, never fallin' down
Cause I keep it on a high level, elevated ground

Live it up live it up
Get back on that truck
Got to keep movin' you rappin' it up
Mix it up mix it up
Before the next stop
You got to go now
And fill up your cup

Got to get goin'
Fly away now
Gettin' goin' now
Fly away now

Switch it up switch it up
Go hop on that bus
No need to blow the horn
I'll be tough, hey

Get back on that truck
Got to keep movin' you rappin' it up
Mix it up mix it up
Before the next stop
You got to go now
And fill up your cup

Got to get going
Fly away now
Taking flight now
Oh oh oh oh...

Switch it up switch it up
Go hop on that bus

No need to blow the horn
I'll be tough, ahhhhhh
Flip it up flip it up
Taking flight now
Oh oh oh oh...
Getting going baby
Switch it up switch it up
Taking flight now
Oh oh oh oh...
Live it up live it up
Fly away now
Switch it up
Fly away now
Taking flight baby
Oh oh oh oh...
Doin' what right now
Oh oh oh oh...
