

# Don't Make Our Love a Crime

## Cheap Trick

I know what you're goin' through  
It happened to me once before  
I wanna do my time with you Don't know what you're gonna do  
It's stronger than it was before  
I wanna spend my time with you Don't you make my love a crime  
Oh please don't make our love a crime  
If you do we'll all regret it in time  
So don't you make my love a crime, no I wanna do it all with you  
It's happened to me once before  
So I know what you're gonna throw I wanna spend my time with you  
It's stronger than it was before  
I saved my best lines for you, you, you But don't you make our love a crime  
Please don't make my love a crime  
If you do we'll all regret it in time  
So don't you make our love a crime I know what you're goin' through  
It happened to me once before  
I wanna do my time with you Don't know what you're gonna do  
It's stronger than it was before  
I wanna spend some time with you, no But don't you make our love a crime  
Please don't make my love a crime  
If you do we'll all regret it in time  
Don't you make our love a crime, no No, don't you make our love a crime  
So please don't make my love a crime  
If you do we'll all regret it in time  
Don't you make our love a crime
