Tundra

Dorit Chrysler

I called in sick to the bathtub today
Somebody pulled the plug on me
So Iâ€™ll gather up my skirts to the sink
Made a bubble bath until ?

You held me like a tundra
Shifting blocks of ice, pulling asunder
Come a little closer, youâ€™re in for a long haul
Because the water gets deeper the further we drift out

I used to watch the weather channel twice a week
? calculations of the water levels rising
But since my bayâ€™s been emptied I canâ€™t bear to look at it
Disaster is as disaster does, and it doesnâ€™t like forecasting

Oh you held me like a tundra
Shifting blocks of ice, pulling asunder
Come a little closer, youâ€™re in for a long haul
Because the water gets deeper the further we drift out

You didnâ€™t have to tell me or even say her name
The evidence was plainly written by the expression on your face
It ainâ€™t intuition, it ainâ€™t ESP
I could even tell while you were making love to me

Oh you held me like a tundra
Drifting blocks of ice, pulling asunder
Come a little closer, youâ€™re in for a long haul
Because the water gets deeper the further we drift out

The water gets deeper the further we drift out
And itâ€™s too bad, itâ€™s too bad
Itâ€™s too bad, â€˜cause I knew it all along

Baby, you held me like a tundra
Pulling us sideways, dragging me under
Come a little closer, youâ€™re in for a long haul
Because the water gets deeper the further we drift out
The water gets deeper the further we drift out
The water gets deeper, and soon enough weâ€™ll drown
