Piano In the Dark

Brenda Russell

When I find myself watching the time
I never think about
All the funny things you said
I feel like it's dead
Where is it leading me now?I turn around in the still of the room
Knowing this is when
I'm gonna make my move
Can't wait any longer
And I'm feeling stronger but, ohJust as I walk through the door
I can feel your emotion
It's pulling me back
Back to love youI know, caught up in the middle
I cry just a little
When I think of letting go
Oh no, gave up on the riddle
I cry just a little
When he plays piano in the darkHe holds me close like a thief of the heart
He plays a melody
Born to tear me all apart
The silence is broken
And no words are spoken but ohJust as I walk through the door
I can feel your emotion
It's pulling me back
Back to love youI know, caught up in the middle
I cry just a little
When I think of letting go
Oh, no, gave up on the riddle
I cry just a little
When he plays piano in the dark
In the darkOh, the silence is broken
And no words are spoken but, ohJust as I walk through the door
I can feel your emotion
Oh baby, pulling me back
Back to love youI know, I'm caught up in the middle
I cry just a little
When I think of letting go
Oh no, gave up on the riddle
I cry just a little, I cry, I cryI know, I'm caught up in the middle
I cry just a little

When I think of letting go
Oh no, gave up on the riddle
I cry just a little
When he plays piano in the dark
In the darkI can't let go, no, no, no, no, no
I can't let go, no, no
Can't let go, no, no, no, no
