To Hell With The Devil

Stryper

We speak of the devil
He's no friend of mine
To turn from him is what we have in mindJust a liar and a thief
The word tells us so
We like to let him know
Where he can goTo hell with the devil
To hell with the devilWhen things are going wrong
You know who to blame
He will always live
Up to his nameHe's never been the answer
There's a better way
We are here to rock out
And to sayTo hell with the devil
To hell with the devilTo hell with the devil
To hell with the devilTo hell with the devil
To hell with the devilTo hell with the devil
To hell with the devil
