Bludfire (feat. Sidney Samson)

Eva Simons

No matter where you are, lighters up
We're gonna start a riot tonight, tonight, tonight
Put your hands up to the sky
Flames so red like bludfire, fire
OooohBurn it up, burn it up, like a bludfire
Light it up, light it up, like a bludfire
Burn it up, burn it up, like a bludfire
Blud, blud, blud, bludfire
Raaaa
Bludfire
Raaaa
BludfireNo matter where you are, lighters up
We're gonna start a riot tonight, tonight, tonight
Put your hands up to the sky
Flames so red like bludfire, fire
OooohBurn it up, burn it up, like a bludfire
Light it up, light it up, like a bludfire
Burn it up, burn it up, like a bludfire
Blud, blud, blud, bludfire
Raaaa
BludfireCan you hear the noise around
It's like a rave oh tonight's all bludfire
Can you here the noise out there
It's like a rave we burn it down like bludfire (yeah eh eh, raaaa)
Can you hear the noise around
We gonna rave oh tonight's all bludfire
Can you here the noise out there
It's like a rave we light it up like bludfireRaaaa
Bludfire
Raaaa
Bludfire
Bludfire, blud, bludfire
Put your lighters up like bludfire
Bludfire, blud, bludfire
Put your lighters up like bludfire
