

No One

Alicia Keys

I just want you close
Where you can stay forever
You can be sure
That it will only get better You and me together
Through the days and nights
I don't worry 'cause
Everything's gonna be alright People keep talking
They can say what they like
But all I know is
Everything's gonna be alright And no one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you, you, you
Can get in the way of what I feel for you When the rain is pouring down
And my heart is hurting
You will always be around
This I know for certain You and me together
Through the days and nights
I don't worry 'cause
Everything's gonna be alright People keep talking
They can say what they like
But all I know is
Everything's gonna be alright No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you, you, you
Can get in the way of what I feel I know some people search the world
To find something like what we have
I know people will try, try to divide something so real
So till the end of time, I'm telling you that in the world No one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you
