

# Nothing's Gonna Change My Love for You

## Simply Saxophone

If I had to live my life without you near me  
The days would all be empty  
The nights would seem so long  
With you I see forever oh so clearly  
I might have been in love before  
But it never felt this strong

Our dreams are young  
And we both know they'll take us  
Where we want to go

(Chorus 1)  
Hold me now  
Touch me now  
I don't want to live without you

(Chorus 2)  
Nothing's gonna change my love for you  
You ought know by now how much I love you  
One thing you can be sure of  
I'll never ask for more than your love

(Chorus 3)  
Nothing's gonna change my love for you  
You ought know by now how much I love you  
The world may change my whole life through  
But nothing's gonna change my love for you

If the road ahead is not so easy,  
Our love will lead the way for us  
Like a guiding star  
I'll be there for you if you should need me  
You don't have to change a thing  
I love you just the way you are  
So come with me and share the view  
I'll help you see forever too

(Repeat Chorus 1)

(Repeat Chorus 2)

(Repeat Chorus 3)

(Repeat Chorus 2) (2X)

(Repeat Chorus 3)

(Repeat Chorus 2)
